

Capitol Plaza
100 State Street, Montpelier, VT 05602

Directions and Parking Instructions

Attendees can park directly behind the hotel in any spot that says “permit parking only” (pretty much the entire back lot except for handicapped parking, the bank parking and metered spaces). People can also park in the back corner of the lot in “public parking” the permits are still valid in that area.

PLEASE NOTE:

- 1) All attendees **MUST** have a permit on their dashboard in order to park in our lot. They can grab a permit off of the registration table, but will need to run it back out to their car.
- 2) Our permits **DO NOT** cover metered spaces on State Street – they **ONLY** cover parking in our lot behind the hotel. If you park on the street with a permit in your window, you **WILL** get a ticket.

If there are no spaces behind the hotel, you will have to park at the DET lot, in which case you will **NOT NEED A PERMIT**:

From Montpelier: Continue on Route 2 towards the I-89. Go through the light, passing Montpelier High School (it will be on your right). You will see tennis courts on your right, take that next right hand turn onto ‘Green Mountain Drive’. Once you pull in, take your first right into the parking lot. The lot is “u” shaped, so continue to the back part, past the bus stop. Park anywhere back there and our Capitol Plaza shuttle will transport you to the hotel.

From Interstate 89: Get off at Exit 8 (Montpelier/St. Johnsbury) and continue through ONE set of lights. Immediately after that set of lights there is a left hand turn ‘Green Mountain Drive’ – take that left. Once you pull in, take your first right into the parking lot. The lot is “u” shaped, so continue to the back part, past the bus stop. Park anywhere back there and our Capitol Plaza shuttle will transport you to the hotel.

The shuttle is a white van that is clearly labeled with our logo and it says “Customer Shuttle.” If the shuttle is not there, please wait as they are constantly making trips to and from the DET lot to the hotel. The loop doesn’t take more than 10 minutes, so please wait patiently for the shuttle to return.

DO NOT TAKE THE “CAPITAL SHUTTLE” BUS...That goes around the town of Montpelier, NOT to the hotel. TAKE THE WHITE VAN ONLY.
